Subject: GUIDELINES REGARDING PROJECT APPRAISAL DOCUMENT - PAD

I am directed to say that CDWP in its meeting on 09-12-2019 observed during consideration of a foreign funded project that Project Appraisal Document (PAD) and Loan Agreement are important documents for project's appraisal by the relevant fora. Therefore, it has been decided that these documents should be an integral part of the PC-I of all foreign aided (WB, ADB, AIIB etc) projects.

2. The above documents are required for cross checking of benchmarks targets of such projects during appraisal, monitoring and evaluation.

3. In view of the above, all sponsoring Ministries/Divisions and Provincial/Area governments are required to ensure compliance of the directions by making PAD as well as draft Loan Agreements, part of PC-Is.
