PUBLIC PROCUREMENT REGULATORY AUTHORITY
CABINET DIVISION
GOVERNMENT OF PAKISTAN

Managing Director

Islamabad, the 17th August, 2023.

Subject: IMPLEMENTATION OF PROCUREMENT PROCESSES THROUGH E-PAK ACQUISITION AND DISPOSAL SYSTEM (EPADS)

Dear Secretary,

Under the auspices of the World Bank, the Federal PPRA has developed the "e-Pak Acquisition & Disposal System," a comprehensive web-based software platform designed to manage the entire procurement process. This system covers the entire procurement lifecycle, commencing from the planning phase to the contract's conclusion. The Authority has completed a pilot of this system in Ministry of National Health Services, Regulation & Coordination and Ministry of Education & Professional Training. Now Government has decided to roll-out the system across all Federal and Provincial Governments before December 2023.

2. The "e-Pak Procurement Regulations, 2023" have been notified and are available on the Authority's website. To facilitate the efficient utilization of the EPADS, the Authority has provided requisite training, as well as assigned User IDs and passwords to the officials nominated for training. It is requested to direct all departments, authorities, and affiliated bodies to exclusively conduct all procurement procedures through the e-Procurement System (<https://eprocare.gov.pk/>).

3. It is important to highlight that a dedicated help-desk has been set up to facilitate the creation of login IDs and to assist trained officials in case they encounter any difficulty while operating the e-procurement system. Following officials may be approached for additional training nominations and help-desk facilitation:

- i. Mr. Rizwan Mahmood, Director (MIS)
rizwan@ppra.org.pk. Ph: 051-9205726-28, Cell: 0333-4557304
- ii. Ms. Wardha Rizwan, Principle Business Analysts (PMU)
wardharizwan@ppra.org.pk

Kind regards.

Yours sincerely,

(Maqbool Ahmad Gondal)

The Secretary,
Ministry of Defence,
Rawalpindi.
