IMPLEMENTATION OF CABINET DECISION (S)

MINUTES

A meeting of the Cabinet was held at the Prime Minister's House and Cabinet Division, through Video Link Conference System, on Tuesday, the 24th August, 2021. The Prime Minister of the Islamic Republic of Pakistan, Mr. Imran Khan, was in the chair.

2. During discussion, the Minister for Water Resources explained that the requirement of professional competence for the post of the Commissioner cannot be unbundled as these were mentioned in the Indus Water Treaty. However, work on the other recommendations of the Committee was in progress. The Prime Minister observed that in most cases requests for extension on the pretext of failure to find a suitable candidate for the post could be traced back to faulty advertisement. He directed that in future proposals for extension, on the grounds of failure to find a suitable candidate, should invariably be accompanied by the original advertisement of the post, so that it could be ascertained whether the recruitment process was unsuccessful due to the advertised condition for appointment.

DECISION

- I. XXXXX
- II. The Cabinet further directed all Ministries/Divisions that, in future, summaries for the Cabinet, proposing extension on the grounds of failure to find a suitable candidate, shall invariably include the original advertisement of the post.
3. The above is circulated for information and compliance, please.
