Subject: DATA OF LOW PAID GOVERNMENT EMPLOYEES' SALARIES

Poverty Alleviation and Social Safety Division (PASSD) is going to launch the Ehsaas Roshan Riayat Program along with National Bank as its executing commercial banking partner under the direction of the honorable Prime Minister of Pakistan. The program intends to provide targeted subsidy of Rs. 1,000 per month per family to 20 million deserving families all over Pakistan through a network of Kiriyana and Utility Stores on the purchase of Atta, Ghee/Oil and Dall (Pulses) @ Rs. 22, Rs. 105 and Rs. 55/kg respectively.

2. Earlier, Government Servants were excluded from the social assistance programs of the PASSD but the Federal Cabinet in its meeting held on 21st December, 2021 decided to include government employees with monthly salaries upto Rs. 31,500/- per month in the beneficiaries of the subsidy provided that they meet the other eligibility criteria for the program. Currently, we are registering the families with gross household income upto Rs. 50,000/- per month as the cut-off income is expected to be revised upward. Evidently, no government servant can be registered to receive the subsidy unless the details of his monthly salary are available for the determination of his/her eligibility.

3. In the light of above, you are requested to kindly provide the data related to salaries of all government employees (Federal and Provincial) receiving salaries upto Rs. 50,000/- per month (gross minus compulsory deductions) in order to enable this Division to register the eligible government servants for the grant of ration subsidy under the Roshan Riayat Program. The data may please be furnished as per the following specifications:

- 1) Data in soft form, preferably as a Microsoft Excel file;
- 2) Dataset must include each individual employee's:
 - a. Employee Name;
 - b. CNIC Number;
 - c. Gross Salary; and
 - d. Compulsory Deductions

4. We look forward to your support to make this program a success.
